15% return

How the Program Works

- Select your initial investment from the table below based upon the amount of golf you plan on playing during the upcoming season.
- Based on your initial investment, Painesville Country Club will instantly award you a 15, 20, or 25% return on the amount you have invested (see table below).
- You may play any day of the week, and any time of the day as long as tee times are available (it is recommended you check and reserve times in advance for availability). We will deduct the appropriate fee for the day and time you are playing from your account.
- Account dollars are for greens fees, cart fees and range tokens only. **Platinum Members** may use account dollars to pay for guests playing in their *foursome*. **Gold Members** may use account dollars to pay for immediate family members playing in their *foursome*. **Silver Members** may use account dollars for personal use only. Account dollars may not be used for merchandise, food or beverages.
- Money not used within a year may be carried forward if another incentive program package is purchased.
- You will be issued a Preferred Membership Picture ID card in order to protect your investment from fraudulent activities.
- ***Special Note:** In order to provide the highest quality facilities and programs for our guests, Painesville Country Club reserves the right to alter the Preferred Membership Plan.*
